

Update on Guelph Harm Reduction Services

How is the Stay Sharp Service Changing?

- Outreach staff from ARCH, Sanguen, Wyndham House and Public Health will be available at all syringe distribution supply sites. Clients will have an opportunity to connect with Outreach Workers about medical and social service needs when they pick up supplies.
- Outreach staff will also be seeking demographic information from clients to better understand who is accessing the supplies, and what their needs are.
- The hours when supplies are available will be changing (see the schedule below).

Why are Services Changing?

- Stay Sharp Services are upgrading to meet best practice guidelines.
- Because of this, clients in Guelph will receive improved harm reduction services and support.
- Staffed harm reduction services increase safety for both the clients and the community.

Where are Stay Sharp supplies available?

- Stay Sharp supplies are available at 4 sites in the City of Guelph
 - Downtown: Guelph Community Health Centre, 176 Wyndham St. N., N1H 8N9, Phone: 519 821 6638

- Stay Sharp supplies are available from ARCH & Sanguen outreach workers.
- ARCH offers a Thursday evening delivery service to bring Stay Sharp supplies to client's residences, or another identified location.

How will clients be supported through this service change?

Every effort will be made to assist clients to access harm reduction in a timely way.

This assistance will take several forms including helping clients who normally access harm reduction supplies downtown, access them from ARCH when the GCHC supply cupboard is closed, distributing schedules re. accessing supplies as widely as possible, and ensuring that client feedback is recorded and factored into ongoing quality improvements of the Stay Sharp service.
